Daycare Agreement

I understand that I am solely responsible for any harm caused by my dog(s) attending daycare at Animal Magnetism.

I also understand and agree that in admitting my dog(s), Animal Magnetism has relied on my representation that my dog(s) is/are in good health and have not harmed or shown aggressive or threatening behavior towards any person or any other dog. However, as this is a cage free environment there are inherent risks that I accept.

While my dog is in the care and custody of Animal Magnetism if I am unreachable in the event of an emergency, I hereby authorize Animal Magnetism, its agents, and/or representatives to seek immediate veterinary care for my dog.

I understand that all costs in connection therewith, including transportation, and veterinary, medical, and otherwise, shall be my responsibility.

I further release and discharge Animal Magnetism and its employees from any liability, claims and damages in connection therewith.

Although we carefully screen all applicants, occasionally we discover that this is not an appropriate environment for every dog. Animal Magnetism reserves the right to permanently remove a dog from daycare at any time.

I certify that I have read and understand all the rules and regulations set forth on the preceding pages and that I have read and understand this agreement. I agree to abide by the rules and regulations and accept all terms, conditions, and statements of this agreement.

I understand that if my dog is left at the daycare for a period of three days without contact from the owner this dog will be considered abandoned and necessary steps will be taken to turn the animal over to the proper authorities.

I recognize that there are inherent risks of illness or injury when dealing with animals. Such risks include, but are not limited to, problems resulting from rough play, food scraps found outdoors, and kennel cough (dog colds).
